Two leading banking firms have in the last two days borrowed large amounts on long time, one firm taking \$10,000,000. It is said too, that foreign bankers, have communicated to the secretary of the treasury their preference for a 4 per cent loan. It is stated on undoubted authority that the Rothschilds and Seligman & Co. are arranging to make a proposition to the United States government to place a big block of 4 per cent bonds in London, or to make a good loan to the government for from six to nine months against the deposit of bonds in the New York subtreasury.
